Yamaha Clavinova CVP-70
Top model from 1994 (new price kr 65.000)

This beautiful Yamaha Clavinova Piano is in excellent condition. This piano features 88 weighted keys for a grand piano feel, 32-note polyphony (which means you can play up to 32 notes at once), Advanced Wave Memory that offers 22 digitally sampled instrument voices, 32 rhythm patterns and 3 pedals (damper, sostenuto and start-stop). It also has a versatile range of performance functions including Solo Style play, Piano ABC, Keyboard Percussion, a Performance Memory, an internal 3.5" floppy disk drive (for extended performance memory and disk orchestra playback capability). This also has MIDI compatibility and a range of MIDI functions. This Clavinova features a stereo amplifier that delivers 50 watts per channel that puts out exceptionally rich sound. It also has a jack for headphones to allow for private practice or late-night playing. This is truly a beautiful instrument.

This piano measures W 139 cm x D 66 cm X H 81 cm and weighs 72.5kg (159 lb)

It also includes the owner's guide.
